- Javascript — Expert
- SQL — Intermediate
- C++ — Intermediate
- Python — Intermediate
- Rust — Novice

Tooling

- Jira — Expert
- Windows — Expert
- Git — Expert
- VS Code — Expert
- Webpack — Intermediate
- Bash — Intermediate
- Linux — Intermediate
- Vite — Novice

Infrastructure

- Docker — Intermediate
- AWS — Novice
- Kubernetes — Novice

Experience

TecSec — Junior Full Stack Developer

2014-01-01 - 2016-04-28

TecSec was a small company that developed software for the Venezuelan government. I worked there as a junior developer, using C#, ASP.NET MVC, Ruby, and others to build access control systems, CRMs and ERPs.
